## REPORT OF DIRECTOR.

---

This report deals with the work which has been done under The Ontario Housing Act of 1919, in the year 1922, and with the work which has been done under The Municipal Housing Act of 1920 in 1922.

### *Appropriations.*

The amount advanced by the Dominion Government to the Province for housing purposes was \$8,750,000. \$8,283,040.99 has been advanced by the Province to various municipalities and a number of payments are yet to be made by the Province to a few of these municipalities which will account for the difference in the amount actually borrowed from the Dominion Government to that which has been advanced by the Province to the various municipalities. In addition \$400,000 was by II Geo. V, Chapter 36, agreed to be loaned by the Province to the Town of Kapuskasing for housing purposes under The Ontario Housing Act, 1919, and legislation is now before the House to provide for other advances under this Act being made to the Town of Haileybury, the Town of Charlton, and the Township of Bucke. This will necessitate the borrowing of a further sum of about \$500,000. from the Dominion Government, in addition to the \$8,750,000. already borrowed.

### *Loans.*

Up to December 31st, 1922, advances amounting to \$8,283,040.99 were made under the provisions of The Ontario Housing Act, 1919, to 74 municipalities. \$4,287,887.25 was advanced to 17 cities, \$2,764,676.48 was advanced to 35 towns, \$357,329.00 was advanced to 14 villages, \$873,148.26 was advanced to 8 townships.

### *Repayments by Municipalities.*

Up to the end of 1922, there has been repaid to the Provincial Treasurer on account of monthly repayments \$1,217,010.54 of which \$432,802.94 is principal, and \$784,207.60 is interest. There has also been repaid to the Provincial Treasurer the sum of \$298,915.21 on account of loans in excess of monthly repayments. Up to the same date the Provincial Treasurer has also received \$177,690.46 for interest on money advanced on progress estimates during construction. The total amount received is \$1,693,616.21.

### *Arrears.*

There are only two municipalities in arrears, and steps are being taken to collect these arrears. It is expected that they will be collected shortly.

The monthly repayments are as a rule remitted promptly on the first of each month.

*Houses Erected.*

A summary of the houses erected in the years 1919, 1920, 1921 and 1922 under The Ontario Housing Act, 1919, is as follows:—

Of the above 2,080 are detached houses and 190 are semi-detached, 30 are in groups of 3, and 16 are of the 4 units type.

100 six-roomed, brick veneer, houses were erected by the Town of Walkerville and financed largely under the Municipal Housing Act, 1920. However, \$130,000 was advanced by the Province in connection with these houses under the provisions of The Ontario Housing Act, 1919.

A summary of the houses erected in the years 1920, 1921, and 1922, under The Municipal Housing Act, 1920, is as follows:—

No. of Houses		Loans	Average loan per house
		\$ c.	\$ c.

661		\$2,363,869 66	\$3,576 20

All the above houses are detached.

It will be noticed that \$2,363,869.66 has actually been used for the erection of the above houses, whereas bonds have been guaranteed for 16 municipalities amounting to \$2,623,455.99. The balance is for houses which are in the course of erection. \$1,585,659.99 was guaranteed in 5 cities, \$903,600.00 was guaranteed in 7 towns, \$34,196.00 was guaranteed in 3 villages, and \$100,000.00 was guaranteed in 1 township.

#### SUMMARY.

The total number of houses erected in these years is 2,977, and the loans made therefor amount to \$10,602,381.14. In 1922 alone, 206 houses were erected, and the loans made therefor amount to \$762,221.00.
